

# — HOW TO BECOME AN IHSS CONSUMER —

If you are a SF resident, and get Medi-Cal benefits, you may be eligible for In-Home Supportive Services (IHSS) to stay safely in your own home as an alternative to out-of-home placement.

## Are you a Medi-Cal Recipient?

Call San Francisco's Department of Aging and Adult Services (DAAS) to Enroll: 415-355-6700

## Get assessed by an IHSS Social Worker

## Notification of Services

If approved, you will receive a notice in the mail with the number of authorized hours. You can then get IHSS services started.
